

Session 2, EMODnet for the Digital Era

Speaker: Marina Tonani

The graphic illustrates the 'European Digital Twin of the Ocean' concept. At the center is a globe showing the European continent, surrounded by a circular ring of data points. Labels around the ring include 'Socioecology', 'Marine Species ecosystems', 'Biogeochemistry', and 'Physics'. Below the globe is a large blue block labeled 'EDITO DATA LAKE ENGINE'. This block is supported by a network of smaller blue blocks, some containing icons for a fish, a gear, and the EMODnet logo. The entire graphic is set against a dark blue background with a small European Commission logo in the top left corner.

European Digital Twin of the Ocean

A leap in ocean knowledge and sustainable action
